Parade of Puppies

Every HERO Needs a NAME...

and we need your help. You don't have to do it alone - why not create a group of people to join together to name a puppy to honor someone? Family, friends or coworkers are all good places to start. Everyone can follow the progress online with photos and notes as your adorable puppy learns about the world and trains to be a Guide Dog.

WHAT YOU WILL RECEIVE

- Watch your puppy grow with quarterly updates, photos, and notes about your puppy posted along with your team members on our website, **www.gddca.org.** *Parade of Puppies link is in our left side navigation bar.*
- Invitation to a special event to meet your puppy.
- Invitation to graduation when your puppy, if successful, has been matched with its special person.

HOW IT WORKS

- Complete an application and preference form.
- Call, write or e-mail prospective team members.
- Raise $1500 and name your puppy.
- Continue to raise funds to support your puppy's training if you wish.

Not all dogs will become Guide Dogs due to medical or temperament factors. Some will have a Change of Career. Others may be offered for adoption.
